Year group information

Help that can be given at home

- Reading daily – this can be a book from school or home. Please record each read in your child's reading record so we can track and celebrate those who are reading at home. Please try and read 3 times a week.

- Practicing the weekly spellings at home.

- Counting in 2's,5's and 10's.

- Writing for a purpose e.g. lists, captions, labels.

PE days

Tuesday + Wednesday
Please come to school wearing appropriate PE kit.

Knowledge Organiser

This topic focuses on Science and Geography. The knowledge organiser lays out the learning and knowledge we would like the children to acquire this half term and reflects the learning that will happen in class.

Spring One 2026

Pole to Pole

Real life experiences:

Ice explorer day
Big Little Sings

Maths:

Money
Multiplication & Division

Geography:

Continents and oceans
Comparison of the North and South poles.
Where is the equator?
Comparing deserts across the world.

Rationale for learning:

Join us on an expedition to the polar regions of Earth. As geographers we will learn about the continents and oceans and the features of these extreme parts of our planet. We will become scientists and discover the animals from these places and learn more about ice.

English

Writing: Writing for different purposes, including poetry writing and information writing.
Writing accurate sentences including adjectives, time words and conjunctions.

Reading: Developing a love of reading by listening to and discussing a wide range of poems, stories and non-fiction.
To be able to make accurate inferences about the texts we read in school.

Science:

Living things and their habitats
Food chains of polar habitats.

DT:

Mechanisms:
Making a moving monster

PE:

Gymnastics
